

334 IOIN-1-CRM-13152-2025 in CRR-1769-2024

Present: By Registry.

It has been brought to my notice that while typing order dated 04.04.2025 passed in CRR-1769-2024 and CRR-1910-2024, inadvertently, on the first page of order, CRR-1910-2024 has been typed instead of CRR-1769-2024.

Registry is directed to do the needful.

IOIN stands disposed of.
