1. Learned counsel for the petitioners submits that though, benefit of wages, for the work done, has been given to the petitioners by the authorities exercising jurisdiction under the Minimum Wages Act, 1948 vide order dated 17.05.2023 but the family members of the petitioners, who were also working with the respondent No.5, have not been granted the said benefit.

2. On being asked to point out as to whether the said workmen/family members of the petitioners were made a party before the authorities concerned or not, learned counsel for the petitioners very fairly concedes the fact that they were not made a party before the authorities exercising the jurisdiction under the Minimum Wages Act, 1948.
