the present petition has been filed just to create a pressure upon the police department to hamper the investigation of the above said case. Apart from this, Manupriya petitioner no.1 sent her statement through email to the effect that she does not want any action on the present petition and the present petition may kindly be filed. Petitioner no.2 Hardeep Singh alleged in the present petition that he received injury at Moga on 24.01.2023 but on the other hand he has been medico legally examined from Dr. B.R. Ambedkar, State Institute of Medical Science, Sector-56, SAS Nagar on 27.01.2023 and the said hospital is situated at a distance of about 165 Km from Moga. Thus petitioner no.2 failed to explain in the present petition that why he has not got her medico legal examination from Civil Hospital, Moga. So, in view of the above said facts and circumstances, the entire allegations levelled by the petitioners through the present petition are found to be false and baseless, so no further action has been recommended to be taken by the Superintendent of Police (Investigation), Moga and recommendation was made to file the said application.

15. That a detailed inquiry report no.843/M/R-SP (Inv) dated 05.07.2023 was submitted by Superintendent of Police (Investigation), Moga and the said inquiry report has also been seen and approved by Senior Superintendent of Police, Moga on 06.07.2023.”

5. It seems that in view of the above development, petitioners are not coming forward to pursue the petition.
6. Petition is dismissed.
