Appellant appears in person and submits that he not only regrets certain actions and the allegations which were made by him while filing the Letters Patent Appeal as well as in the representation but also tenders his unconditional apology for the said acts. The appellant further submits that all the allegations mentioned in the appeal and also the allegations mentioned in the representation dated 12.01.2017 (Annexure P-1) be treated as withdrawn for all intents and purposes and prays that his unconditional apology be accepted for the said act with sympathy especially that he is a doctor engaged in public service and expressed regret for the certain allegations made in the appeal as he was depressed at the relevant time.

Keeping in view the fact that the appellant is a senior citizen and is doing public service as a doctor, coupled with the fact that he has unconditionally withdrawn the allegations with an apology, the same is accepted. However, the appellant is directed to remain careful in future with regard to making such unsubstantiated allegations against anyone. Any violation of the said direction will invite severe action.

The IOIN is disposed of accordingly.

Pending application is also disposed of.
