3. Learned counsel for the petitioner contends that the FIR in the present case was got registered by the complainant by coining a false story. In fact, the parties knew each other and are distant relative also. Learned counsel further contends that as per the case of the prosecution, petitioner was carrying a *danda* and caused an injury with *danda* on the left knee of the complainant, however, the said injury has been declared to be simple in nature. He further contends that the allegations regarding snatching of mobile phone, RC, insurance, license etc. are false and have been made by the complainant, only to aggravate the offence. Even, the two injuries which have been declared to be grievous in nature, were on non-vital parts of the body and the petitioner is ready to join the investigation.

4. On the other hand learned State counsel assisted by learned counsel for the complainant have vehemently opposed the submissions made by learned

counsel for the petitioner on the ground that total 15 injuries were caused to the complainant and out of those, 15 injuries, 02 injuries on fingers have been declared to be grievous in nature.

5. I have heard learned counsel for the parties and perused the record carefully.

6. At this stage, only allegation against the present petitioner is that he was carrying a *danda* and gave blow with the same on the left knee of the complainant and the said injuries have been declared to be simple in nature. Even, the parties are distantly related to each other and the custodial interrogation of petitioner may not be required, keeping in view the facts and circumstances of the present case.

7. Thus, without commenting any further, the present petition is allowed and the petitioner is granted concession of anticipatory bail, subject to the conditions as provided under Sections 482 (2) of B.N.S.S. It will be open for the Investigating Officer to call the petitioner to join the investigation, if so required, by issuing a written notice in this regard and she shall abide by the conditions mentioned in Section 482 (2) of B.N.S.S.
