facts, hence, they are being dealt together.

2. In the present petitions, the grievance being raised by the petitioners is that by the impugned letter dated 12.03.2021 (Annexure P-6), a direction has been issued to all the private schools affiliated with C.B.S.E., I.C.S.E. and any other Board that only the books published by the NCERT and CISCE are to be taken into consideration for imparting the education as the same is contrary to the provisions of the C.B.S.E and I.C.S.E., wherein, the CBSE has allowed the use of the books apart from the books published by the NCERT and CISCE subject to the certain conditions.

3. Learned counsel for the respondent- C.B.S.E. submits that though the said benefits have been given to the certain private schools but, as per the regulations of the C.B.S.E., the schools are required to fulfill all the directions issued by the State in the said connection and therefore, any direction issued by the State that only the books by the NCERT and CISCE are to be taken into account for imparting the studies, is in consonance with the directions issued by the CBSE.

4. Learned State counsel on the other hand submits that though the petitioners are contending that they have the right to take help of the book published by the other institution apart from the books published by the NCERT and CISCE to impart education to the students, but the same is with certain conditions, but in order to avoid any ambiguity, the private schools have been directed that only the books published by the NCERT and CISCE should be taken into account for imparting education and nothing evident has come on record as to why the said condition of using the books published by the NCERT and CISCE is bad in any manner. Learned counsel for the State further submits that the State has provided a direction that only the books

published by the NCERT and CISCE are to be taken into account for imparting education, the petitioners should not have any objections in this regard.

6. Learned counsel for the petitioners submits that keeping in view the statement made by learned counsel for the State recorded herein above, the present petition may kindly be disposed of having been not pressed any further, with liberty to approach the C. B.S.E., I.C.S.E. or any other Board with which the private schools are affiliated to allow the use of the other books as well apart from the books published by the NCERT and CISCE so as to place before the State to take appropriate decision.

7. Ordered accordingly.

8. Pending civil miscellaneous application, if any, stands disposed of.
