**VIKRAM AGGARWAL, J (ORAL)**

The present revision petition has been filed for the issuance of directions to the Executing Court, Karnal to stay the execution proceedings in Execution Application No.33 of 2017 titled as *Smt. Usha Devi vs. The Principal D.I.E.T. Shahpur (Karnal)*.

2. The primary ground raised by the petitioner was that RSA-3854-2017 filed by the petitioner had been dismissed vide order dated 11.08.2017 but the judgment had not been made available to the petitioner. It is averred that since the judgment was not available and execution proceedings had been filed, the petitioner was unable to challenge the decision rendered in the RSA any further.

3. Learned counsel representing respondent No.1 submits that a copy of the judgment was supplied long back as a result of which the present revision petition has been rendered infructuous.

4. On a specific query put by this Court, learned counsel for the petitioner submits that review application (RA-RS-87-C-2018) was filed which is pending adjudication.

5. Be that as it may, since the limited ground on which the revision petition had been filed was non-supply of the copy of the judgment passed in RSA-3854-2017, which was later supplied, no cause of action survives in the present revision petition and the same has been rendered infructuous.

6. In view of the above, the present revision petition has been rendered infructuous and is disposed of as such.

Pending application(s), if any, shall also stand disposed of.
