Since none had been appearing on behalf of the appellants, notices were issued to them to appear in person before this Forum to explore the possibility of settlement. However, the report indicates that the notices could not be issued to the appellants as the file had been destroyed in a fire, and there was no MOP in the paper book. In light of the office report and the absence of the appellants, the case is hereby consigned to the record room, with liberty to the appellant to revive the same by filing an appropriate application before the appropriate Forum if such necessity arises.

Copy of this order be sent to the learned counsel for the appellant.
