1. Petitioners filed this revision under Article 227 of the Constitution of India for setting aside the order dated 04.08.2025 vide which the evidence of the petitioners was closed by order.
2. A perusal of the case history shows that the issues in this case were framed on 07.11.2024 and thereafter three effective opportunities were granted to the plaintiff to lead evidence. Plaintiff has not led any evidence nor any diet money for summoning the witnesses or list of witnesses was submitted to the Court. The Court thereafter granted last opportunity and after last opportunity two more effective opportunities were granted to the plaintiff but plaintiff failed to lead any evidence and ultimately the Court has to close evidence vide impugned order dated 04.08.2025. Though no illegality or perversity is there in the impugned order but in the interest of justice, since a huge amount is involved in the suit and plaintiff alleges that he has paid earnest money of Rs.18 lakh, so one opportunity is granted to the plaintiff to produce his entire evidence at his own responsibility subject to
