S.J. VAZIFDAR, A.C.J. (ORAL)

This is an application under Section 11 of the Arbitration and Conciliation Act, 1996.

The parties had entered into a construction contract clause 25 whereof contained the arbitration agreement. There are serious disputed questions of fact which fall within the purview of the arbitration clause. One of the disputes is the question of limitation.

In the facts and circumstances of the case, it is not possible to decide conclusively one way or the other on the question of limitation. The issue of limitation can also be decided by the arbitrator.

The disputes and differences stand referred to a sole arbitrator to be appointed by the Managing Director of the respondent No. 1 –Punjab Health Systems Corporation within six weeks from today. The petitioner has no objection to the same.

The petition is accordingly disposed of.
