Office note perused.

Registry has put up a note that in the final order, dated 02.09.2025, at page No.4, in the last line of the last paragraph, date and year have wrongly been mentioned as '10.02.2023' and 'CWP-18974-2022' instead of '10.02.2003' and 'CWP-18974-2002', respectively, due to *bona fide* typographic mistake, which escaped notice.

In view of the above, in final order, dated 02.09.2025, at page No.4, in the last line of the last paragraph, date and year be read as '10.02.2003' and 'CWP-18974-2002', instead of '10.02.2023' and 'CWP-18974-2022', respectively.

Registry is directed to make necessary correction accordingly.

IOIN stands disposed of.
