* * * *

Nobody appears for the appellant.

However, it transpires from the record that this appeal was dismissed by the High Court vide order dated 01.07.2010 and an application for recalling that order was also dismissed vide order dated 01.10.2010.

In view of these circumstances, the file seems to have been mistakenly listed before us and no further proceedings are warranted.

File is, therefore, consigned to record.
