**VINOD S. BHARDWAJ, J. (ORAL)**

The instant petition had been filed by the petitioner for seeking issuance of a writ in the nature of prohibition against the respondents prohibiting them from proceeding further with the inquiry or passing any final order against the petitioner on the allegations that were subject matter of a criminal case, which was registered against him.

An interim order to the effect that the services of the petitioner be not terminated was passed by this Court on 03.12.2001. The matter has been pending before this Court since then i.e. nearly for 24 years. The Registry was directed to issue notice to the petitioner, which was received back with the report that the address of the petitioner given in the writ petition is incorrect. In any case, the petitioner may not have any subsisting grievance as on date, since the FIR/criminal case in question was registered in the year 1977 whereupon proceedings had been initiated against the petitioner, compelling him to

approach this Court in the year 2001. In any case, the petitioner would have completed his service tenure by now and he must have been superannuated. It is also noticed that there is no representation on behalf of the petitioner for the last two hearings. It appears that the petitioner has no subsisting grievance or his grievance, if any, already stands redressed. In view of the above, no fruitful purpose would be served by keeping the present petition pending.

Dismissed for non-prosecution.

All other misc. application(s), if any, also stand(s) disposed of accordingly.
