The revision petitions were dismissed for non-prosecution on 28.01.2025. The Branch has now put up the files as four drafts of Rs.5,000/- each are lying with the office of the Registrar General of this Court pursuant to directions issued vide order dated 11.11.2014 (passed in CR-6771-2014). The validity of the said drafts would naturally have come to an end.

That being so, there is no option but to consign the drafts along with the case files so that in case at any later stage, the revision petitions are revived or any other proceedings take place, requisite orders can be passed.

A photocopy of this order be placed on the file of the connected case.
