Present:- Mr. Sunil Chadha, Senior Advocate with

Ms. Arashdeep Kaur, Advocates for the petitioner.

*********VIRINDER AGGARWAL, J. (Oral)**

1. Petitioner preferred this revision petition under Article 227 of the constitution of India against order dated 02.08.2025 vide which the learned Additional Civil Judge (Senior Division), Chandigarh in execution No. 333 of 2025 has disposed of the execution petition with an order that it is disposed of and be tagged along with another execution application No. 521 of 2023. Both the execution petitions are for satisfaction of same decree. Learned Senior Counsel for the petitioner submits that the other petition is not maintainable and he is apprehensive that the other petitioner would withdraw his petition or his petition would be dismissed as not maintainable then the petitioner would suffer an irreparable loss in view of the impugned order.

2. A perusal of the impugned order shows that the learned Additional Civil Judge (Senior Division), Chandigarh has ordered that the

execution petition of the petitioner stands disposed of and the other petition is to be proceeded further and at the same time it has been ordered that the same be tagged with the other petition. The order is not clear so suffers from material irregularity which can give rise to future complications.

3. So, the petition is disposed of by modifying the order dated 02.08.2025 passed by Additional Civil Judge (Senior Division), Chandigarh that the execution petition filed by the petitioner is tagged with the other execution petition and both the petitions should be simultaneously proceeded with.
