**CR-7496-2024****-2-**

4. From the perusal of impugned order, it is evident that learned Additional District Judge, S.A.S., Nagar has rejected petitioner's application seeking condonation of delay of 455 days in filing objection petition. Court under Section 34 of Arbitration and Conciliation Act, 1996 cannot condone delay beyond 30 days, however, in the instant case, there is delay of 455 days, thus, petition was dismissed on ground of delay. The petitioner did not place on record evidence to the effect that he was not aware of the proceedings whereas other side placed on record document disclosing that petitioner herein was well aware of the proceedings.

5. In the backdrop, this Court is of the considered opinion that present petition being bereft of merit deserves to be dismissed and accordingly dismissed.
